STEVENSON, Ala., June 6, 1901

Dr. E. W. Hall, St. Louis: Dear Sir—I have been a great sufferer from bladder trouble for two years and my case was of a very severe nature, compelling me to have several painful and dangerous operations. I have also taken many different remedies. I took Swamp Root for three years and Warner's Safe Cure two years and they only gave temporary relief. After having two operations and preparing for the third, I saw your Texas Wonder advertised and purchased a bottle. I got almost immediate relief and have continued to improve ever since. My doctor said my bladder had grown together in three places, and I was suffering almost death. No man living can say more than I can for your Texas Wonder, and I call it a world's wonder, and I hope all who suffer will give it a trial. Wishing you success, I am Yours truly, W. C. DANIEL.

A TEXAS WONDER.

O. box 628, St. Louis, Mo. Send for testimonials. Sold by J. W. McCollum & Co.

Miss Helen Earlson Parkhill, a charming young lady of Monticello who has been here on a visit to Miss Pearl Whetstone for the past three weeks, has returned to her home. She made many friends here who were delighted with her presence, and who hope to see her here again at no distant day.

Yesterday being the regular pay day at this point on the Atlantic Coast Line, the pay car arrived on due time, about 11:30 o'clock, and made "the boys" happy by distributing the various salaries due them for the past month's work. Captain and Mrs. S. C. Tucker and family spent Sunday with Mr. and Mrs. John R. Beville, a few miles west of Gainesville. Captain Tucker reports a delightful time, as they were entertained in the usual hospitable manner for which Mr. and Mrs. Beville have made themselves famous.

Dr. J. H. Alderman returned Sunday from a brief business trip to Jacksonville. Dr. Alderman is negotiating for some valuable business property in that city which is paying handsome dividends, and will probably invest in same. He has no intention of leaving his professional practice in Gainesville, however, as it is proving too profitable to him.

J. B. Douglass, for many years a merchant of this city but now manager of the commissary of Monroe Venable & Co., naval stores operators of Sampson City, was among his friends here Sunday, all of whom were glad to see him. Mr. Douglass' family resides here, but are at present visiting in South Carolina, with the exception of his son, Byrus.

Captain J. A. Tucker of Rochelle was in the city trading yesterday. He states that Mrs. Tucker and daughter, Miss Winnie, will leave today for Terre Haute, Ind., where they will visit Mrs. Tucker's mother, whom she has not seen for fifteen years. Her mother, Mrs. Hanorah Cary, is now in her eighty-sixth year, but is yet active. Friends of Mrs. Tucker and Miss Winnie wish them a pleasant sojourn.

C. S. Hill, civil engineer for the Cummer Lumber Company, left yesterday for Double Sink, Levy county, where he went to relieve Commissary Manager S. B. McGill for a short time. Mr. McGill was summoned to South Carolina a few days on account of the death of a brother, and before he was ready to return was stricken himself with fever. Friends will be sorry to learn this, but hope he will soon recover.

Mr. and Mrs. Tom McCarroll are rejoicing over the birth of a fine boy, which first saw the light of day at the home of Mrs. McCarroll's parents at Williston a few days ago. The happy "dad" has not yet seen the youngster, as he is now in New Orleans. It is safe enough to say, however, that he is walking with more dignity than usual, and the proverbial peacock would not be in it when it comes to pride. Friends extend congratulations.
